Dear Patients,

Due to changes in insurance policies, it is no longer an easy task to interpret each individual policy. Although we try to stay aware of changes, it is not always possible.

Therefore, we urge you as the patient, to please check with your insurance company prior to any testing or surgery performed. It is your responsibility to know your individual coverage. Failing to comply with this suggestion could result in you, the patient, being responsible for all the cost incurred.

Please remember that your insurance policy is between you and your insurance company and not with the insurance company and the doctor.
